Dear Mr. and Mrs. Delleney:

Thank you for allowing Khaki to come visit with us! The students at the Williamson County Juvenile Services Center did not need to be "bridled" to keep their attention. Khaki stole the show—and our hearts!

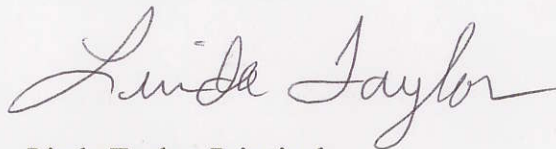

Both of your comments about the mini horses and your organization were most helpful. As a young lad, I used to ride Shetland ponies at the carnival. I am happy to learn that little horses have much nobler uses than to carry children around in a circle! We applaud your efforts at using the horses for therapeutic purposes!

Once again, let me say how much we appreciate your time and effort to bring Khaki to see us. Perhaps next time, after Khaki tells him how much fun it was, Cashew will want to come, too! We look forward to meeting him and seeing Khaki again!

Sincerely,

Jim Mohon, Teacher
