Dear Melinda,

I want to personally thank you for participating in the YMCA Healthy Kids Day on April 12. The Townlake Branch joined over 2,000 YMCAs nationally in the continuing effort to develop healthy lifestyles for kids and their families.

Our event had almost 500 children and their families involved in fitness, health and nutrition education activities. I received many compliments about how meaningful the day was for the kids. Your assistance certainly added enthusiasm and fun to Healthy Kids Day. A parent of an autistic child told me that her son became so responsive to the horses that they will try to access your therapy services.

I hope you will join us next year as we make our community stronger through strong kids and families. Please thank everyone in your group for me.

Sincerely,

  
Dave Fulscher  
Branch Executive

*Thanks Melinda!*
